Information Update

March 18, 2002

Update #72

1. The Arizona Department of Health Services and the Arizona Water and Pollution Control Association are cosponsoring an 8 hour Laboratory Safety Workshop in Phoenix on April 16, 2002. The topics to be covered will include:

- OSHA Laboratory Standard
- OSHA Inspections
- Components of the OSHA Laboratory Standard
- Physical and Health Hazards
- General Laboratory Safety
- Control Measures
- Chemical Safety by Hazard Class
- Chemical Releases
- Waste Disposal and Lab Packing
- Safety Responsibilities / Lab Standard Implementation

This workshop will be presented by the Environmental Training Center (E.T.C.). The E.T.C. is a provider of environmental, health and safety training. They offer compliance training courses on the rules and regulations required by OSHA, EPA, RCRA, MSHA and DOT. They are affiliated with:

- Pima Community College
- OSHA Region IX Training Institute at the University of California, San Diego.

The workshop will be held at the City of Phoenix's wastewater treatment facility located near 23rd Ave. and Durango. The registration fee for this workshop is \$50.00. Fax the registration form to (602) 364 - 0758. Please make checks payable to AWPCA and mail to: David Winters, Office of Laboratory Licensure, Certification and Training, 1740 W. Adams, Room 203N, Phoenix, Arizona 85007.

Please share this announcement with anyone you feel would benefit from attending this workshop (bench chemists, managers, plant operators etc.).

If you need any additional information, please call Prabha Acharya at (602) 364-0734 or David Winters at (602) 364-0732.
